

# GeoERA

Establishing the European Geological Surveys Research Area to deliver a Geological Service for Europe

## JOINT CALL DOCUMENT NO.1

### CALL ANNOUNCEMENT

Joint Call on applied geoscience in the fields of:

- Geo-energy
- Groundwater
- Raw materials
- Information platform

Version no: 1.0

Last change 31 March 2017 17:12

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 731166

---

**The GeoERA consortium announces the launch of the GeoERA Joint Call for Transnational Research Projects. The GeoERA Call addresses research in Applied Geosciences and covers the following Themes:**

- Geo-Energy
- Groundwater
- Raw Materials
- Information Platform.

The Call is a two-stage process for joint research projects:

- **Stage One** of the Call is for Project Ideas and opens on 4<sup>th</sup> April 2017 to any interested party. The submission deadline is 7<sup>th</sup> June 2017, 17:00 CET.
- **Stage Two** of the Call is for Project Proposals that should address Specific Research Topics. Stage Two is open only to GeoERA participants, and is expected to open on 17<sup>th</sup> October 2017 and to close on 12<sup>th</sup> January 2018, 17:00 CET.

Details are provided in the supplementing Joint Call Documents available on the dedicated website [geoera.eu/call](http://geoera.eu/call).
