

Raw Materials Week 2018

Venue: Le Plaza Hotel,
Boulevard Adolphe Max 118-126,
1000 Bruxelles, Belgium

Date: 12–16 November 2018

Info: Raw Materials week will build upon a series of events organised by the European Commission addressing the latest news on raw materials in the EU. It will be a unique opportunity for the raw materials community to discuss and exchange on all relevant issues: policy, technology, international cooperation, framework conditions, knowledge base etc. GeoERA will be present at several theme specific events (see table 1).

Tab 1: GeoERA presence at RMW2018

Date	Time	Event	Program
Monday 12.11.2018	11:15 – 12:30 18:00 - 20:00	Copernicus for Raw Materials <i>Session II: Copernicus for Raw Materials: applications and benefits</i> <i>Networking Cocktail & Poster Session</i>	http://eurawmaterialsweek.eu/PDF/Copernicus%20for%20Raw%20Materials.pdf
Tuesday 13.11.2019	12.05 - 12.50	EIT Raw Materials – Showcasing innovation in the raw materials sector and solutions brought to the market, contributing to the industrial competitiveness <i>Panel discussion</i>	http://eurawmaterialsweek.eu/PDF/EIT%20Raw%20Materials.pdf
Tuesday 13.11.2019	11.50-13.00	Responsible supply of raw materials <i>Session II: Responsible extraction of raw materials in the EU</i>	http://eurawmaterialsweek.eu/PDF/Responsible%20supply%20of%20Raw%20Materials.pdf
Tuesday 13.11.2019	18:30 -20:00	H2020 Raw Materials Info Day and Brokerage Event <i>10th Anniversary of the Raw Materials Initiative & Opening of Poster Session</i>	http://eurawmaterialsweek.eu/PDF/H2020%20Info%20Day%20and%20Brokerage%20Event.pdf
Thursday 15.11.2018	16:00 - 17:30	Drivers and Solutions for Integrating Information in the EU Raw Materials Knowledge Base Serving Policy Makers and the Knowledge Triangle <i>Session IV: Towards a comprehensive knowledge service of R&I results</i>	http://eurawmaterialsweek.eu/PDF/Drivers%20and%20Solutions%20for%20Integrating%20Information%20in%20the%20EU%20Raw%20Materials%20Knowledge%20Base.pdf
Friday 13.11.2018	11:00-11:15	UN Framework Classification for Sustainable Resources Management in Europe <i>Mintell4EU; UNFC applied to European Mineral Resources</i>	http://eurawmaterialsweek.eu/PDF/UN%20Framework%20Classification%20for%20Sustainable%20Resources%20Management%20in%20Europe.pdf

Note: side events need specific reservation; venue place might vary.
